RESPONSE TO FINAL OFFICE ACTION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to the final office action dated March 30, 2005 ("Final Office Action") in which the Examiner allowed claims 2, 23, 26, 36, 57, and 59, objected to claims 9-22, 31-33, and 43-56 and rejected claims 1, 3-8, 24, 25, 27-30, 34, 35, 37-42, and 58. On June 2<sup>nd</sup>, the attorney for applicants and the Examiner held a phone interview discussing the claims, which is described in the Interview Summary submitted by the Examiner on June 7<sup>th</sup>. During the Interview, the Examiner indicated that she would allow an amendment to the independent claims 1, 25, and 35 that she thought would likely distinguish over the cited art and place the case in condition for allowance. Applicants submit herein the discussed amendment and traverse the prior art rejection with respect to the amended claims. Applicants submit that all pending claims are patentable over the cited art for the reasons discussed herein.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2.

**Remarks/Arguments** begin on page 11.
